

# YOUR Jewish *Legacy*

## Klezmer Music Foundation

### DECLARATION OF INTENT

*For centuries, our ancestors taught our musical heritage to their children in an unbroken chain of tradition. But when they perished in the Holocaust, or were silenced in the Soviet Union, or were culturally assimilated in the United States, that chain was broken. Become a link in that chain.*

In keeping with Jewish tradition, I/we wish to share our blessings with the community. Therefore, I/we make this Declaration of Intent to help keep our musical heritage alive for generations to come.
